Dear Chaplain Griffith:

Since my visit to Landstuhl Regional Medical Center this summer, the outpouring of Hoosier support this holiday season for the injured men and women housed at Landstuhl has been astounding.

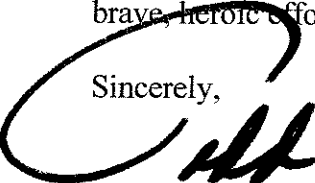

As you can tell by the weight of this package and the number of cards included, the people of Indiana answered the call and purchased domestic pre-paid phone card minutes by the thousands. Included with this letter are the 1241 cards representing 194,268 minutes, and there will be more on the way.

I have included the names and addresses of the generous individuals who submitted cards. In many instances, the donation was anonymous.

It has been a pleasure doing something that will allow the wounded soldiers to call their loved ones back home. I will forward additional cards as they arrive to our office.

On behalf of the people of Indiana, many thanks to you and to the soldiers for all of your brave, heroic efforts. Our thoughts are with you now and always.

Sincerely,

  
Todd Rokita  
Secretary of State
